To the des - ert Je - sus came, to wres - tle and to seek God's way.  
Like the He - brews long a - go who ven - tured thro' the des - ert sand,  
In the des - ert we may find the mys - ter - y of who we are.  
From the Ash - es to the Hill, we'll trav - el on our Lent - en road.

Sun and moon rose high a - bove to watch him as he'd fast and pray. To -  
Did he find a rock of faith, where streams of liv - ing wat - ers ran? To -  
Fol - low - ing a faith - ful God, so ver - y close and yet so far. To -  
Hand in hand we'll cross this sand, and share each oth - er's heav - y load. To -

geth - er through the val - ley, the temp - er - led him - a - round. To -  
geth - er through the val - ley, So shall we - make - our way. To -  
geth - er through the val - ley, We'll gath - er our dreams - in prayer. To -  
geth - er through the val - ley, We'll watch the - chang - ing sky. To -

geth - er through the val - ley, So Je - sus an - swers found.  
geth - er through the val - ley, We'll walk for for - ty days.  
geth - er through the val - ley, And find God's pres - ence there.  
geth - er through the val - ley, As Eas - ter's dawn draws night.
